OHIO BIRTH/DEATH KIOSK

The Warren County Combined Health District now has an Ohio Birth/Death Kiosk for public use in the foyer of the Environmental Health Department located at 416 South East Street, Room 104, Lebanon, Ohio.

This kiosk is for **information purposes only**. It allows you to look up birth and/or death information from all of Ohio. You must provide the person's first and last name and year of birth or death to look up the information. This is a free service provided to by the Ohio Department of Health and the Warren County Combined Health District.

This kiosk **does not** allow you to print or order birth and/or death certificates. However, the kiosk will provide you with the county in which the birth or death occurred. Certified copies of birth abstracts may be purchased through any health department in Ohio by contacting the office closest to you. At this point in time, certified death records may only be obtained through the county of death by contacting the respective county.
