Prevent. Promote. Protect.

Warren County is pleased to announce:

Solutions Community Counseling & Recovery Center & Warren County Health District

will be co-located at:

975B Kingsview Drive, Lebanon, OH 45036 on Wednesdays starting June 7, 2017.

WCHD will see adults & children for sick or routine general health problems.

For an appointment with the Health Department doctor call 513-695-1229.

This will be an additional location for the Health Department. You do not have to be a Solutions patient.

The Health Department will bill:

OH Medicaid, Caresource, Molina, Paramount, and Buckeye managed care insurance as well as some private insurance.

A sliding fee scale is available to those who are uninsured. Depending on income and household size you could be eligible for a discount.

Adult Health uninsured patients (age 21>) have a \$15 copay

Child Health uninsured patients (age 0-20) have no copay
